The Style of a "Dorothy Dodd"

The woman whose capacity for style exceeds her capacity in dollars will find that the style of a "Dorothy Dodd" Shoe gives her foot all the distinction of a custom-measured shoe. "The style of a 'Dorothy Dodd'" has become proverbial. It is a Shoe that preserves the natural outlines of the foot, yet actually makes it look a full size smaller. No other shoe is designed like it. When your foot is tired don't put on a slipper, but put on a "Dorothy Dodd." It hugs the foot around the instep and rests every other part of it. It saves fifty per cent in foot fatigue.

How Old?

A woman is as old as she looks. If, on this basis, an article can be judged, some articles of very recent manufacture are as old as some of the men we read about in ancient times. While on the other hand, such an article of the character of Colonial Paint is an infant at the age of ten. Paint your house with the Colonial. It never grows old. Sold in Barre by C. A. Heath.

MICROBES AT THE POLE.

Trip to Determine Whether These Exist in Arctic Regions.

One of the most peculiar arctic expeditions ever planned is that of Dr. J. Charcot, who will soon sail from St. Malo, France, on a specially built ship, says the Springfield Republican. The expedition is also to be under the auspices of the Pasteur Institute and the Museum of Natural History of Paris. Dr. Charcot believes that the study of bacteriology may be aided greatly by analyses of air and water in the polar regions and, above all, the examinations of the intestines of polar animals for "primary" microbes, which are as abundant in warm or temperate latitudes.

A Professor Levin, it seems, disputes the existence of the polar microbe, and Dr. Charcot is going up north to find out all about microbes within the frozen zone. Science ought to be benefited by such an expedition. Dr. Charcot should be able to settle forever the question whether people ever have colds north or near the arctic circle.

YOUR LAST CHANCE

This Week and Next Week

As we have only 11 days more to occupy the Blue Store. The store must positively be vacated by Saturday night, May 30th. This is no bluff, but a bona fide fact. We have got to give up the store on that date, as our lease has expired and we cannot renew it. If you want to save one, five or ten dollars on any bunch of merchandise that you need for yourself or the boys for present or future wear come at once to the Blue Store, or you will be too late, as we make big reductions and big sacrifices and all goods now on hand will go with a rush. If low prices will sell our goods they must go, as we do not wish to have the trouble of moving them elsewhere. Besides it costs money to move goods, so we have decided to give our customers the benefit of low prices and to turn the stock into ready cash. Everything ready to put on for the men and the boys in Shoes, Underwear, Top Shirts, Collars, Hose, Suspenders, Neckwear, Straw Hats, Soft and Stiff Felt Hats, Caps, Mackintoshes, Overalls, Frocks, Gloves, Odd Trousers, Taunks, Valises, Dress Suit Cases, Umbrellas, Odd Vests, Odd Coats and all sorts of nice Spring and Summer Suits and Top Coats by the hundreds at next to nothing in price.
